

GRADE 80 ALLOY CHAIN

Ranger Grade 80 (T) Chain is designed for Chain Slings for industrial lifting applications. It is made from alloy steel, hardened and tempered. It has a high resistance to impact and meets critical requirements of AS2321 "Short link Chain for lifting purposes".

- Sizes available from 6mm to 32mm.
- Marked with Chain grade with traceability mark.
- Made from G80 alloy steel with safety factor of 4 to 1
- Test Certificates available upon request.
- Conforms to AS2321.

*All chains European manufactured
